FREQUENTLY *asked questions..*

Day before set up?

Bummer! We don't offer pre-wedding day setup for your special day. But, chin up! On the day of the wedding, the doors open at 8am sharp for all suppliers, and they've got two hours to spruce up the barn.

Can we bring alcohol?

We're not going to let any booze sneak onto our turf, but we're happy to be your bartenders for the entire day & night! If you fancy shots, we got you covered for a small corkage fee of £1.50 for 25ml or £3.00 for 50ml. Let's get this party started!

What are our table plan options?

6ft circular or 6ft trestles - or a mixture of the two! Linen for this is additional and we have a range of colours to choose from. And no, you don't need to have a top table if you don't want to. We have a choice of different layout options - just ask us!

Do we offer in-house styling?

Yes - we offer quite a range of styling all in-house & signage! Just ask for the information!

What is The Barn's capacity?

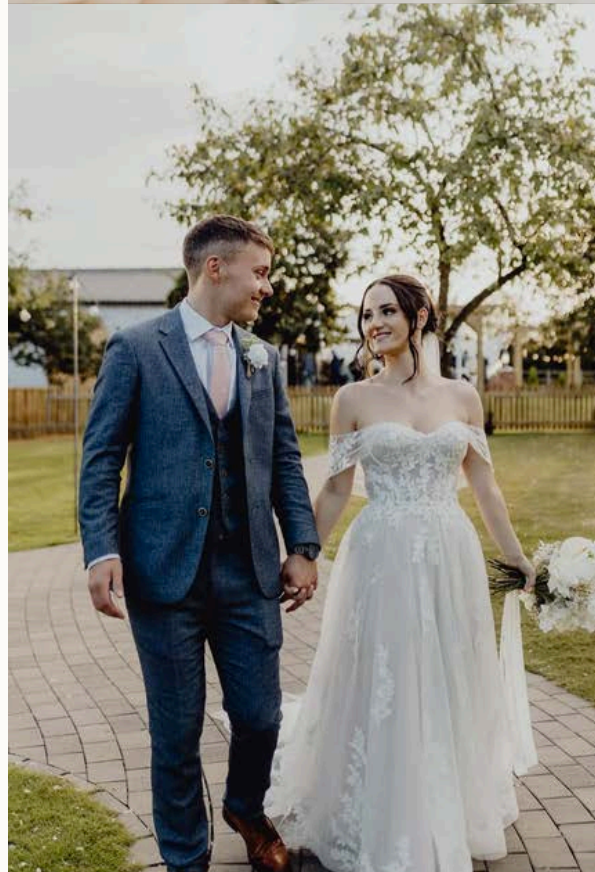

We can facilitate 150 guests in our ceremony room & we can have a total of 250 guests in the evening.

Can you have external caterers?

Yes - but from our carefully selected recommended list - please ask for this if you are interested. These will have their own terms and conditions. Pizzas are only supplied by The Barn's Tuk Tuk in-house at an additional cost.

When is last orders?

Our final call is at 11:30pm sharp, and unfortunately, we can't pour any drinks after midnight!
